travel to enrich the lives of
women touched by cancer™

Explore the World with
Women Who Share
Your Experience

Discover the life-enriching and lasting effects of our wellness retreats and vacations designed for women touched by cancer. We plan all the details so you can focus on feeling good - from moderate adventure trips to the Costa Rica rainforest, outlet shopping excursions in picturesque Tuscany, and pampering spa retreats in tranquil destinations throughout the United States, Canada, Mexico and the Caribbean.

We understand the long-term physical and emotional challenges of post-cancer treatment. That's why we're able to select the perfect destinations and design ideal itineraries for your getaway.
